Uhh...
I wonder what
else there will
be made up for
the lack of
cheap trucks
here...

What an
amazing
waste of
good luck

the wonder
I'd always get
run over by
a cheap truck
after exiting
the Pass...

OMG...

my body
... started
feeling
funny...

and my head...

Is there
something
wrong?

Ah a-ee,
just for
some reason,
suddenly.

!?

HINATA
KUN!!

バキッ!

IF IT HURTS ONLY
THAT IT'S ONLY
ABOUT THE
HOPE IN YOU
WILL BE GONE,
...!

W-why
you-?

Wanda-kun
... the
way I
see it.

The reason
you collapsed
may be the
price for my
friend Jack.
Just come
before that...!

GOOD LUCK*

I'm telling you,
it works!

This is
firepower
befitting
the
beginning
of the end!

HA
HA
HA
HA
HA
HA!!

Komaeda-kun!
This is not the
time to be
escaping
reality
...I think!

Get it!
I'll save
you,
Komaeda
kun!

Because I can
see that!

Oh,
sorry...

HIMURA-SAN
MAY DIE!!

T-This is
really odd
...!

Since it's
just a cold,
why did it
suddenly...

U... means
... it really
wasn't
supposed to
be anything
dangerous...!

SHALL

Oh...

I'm
sorry.
What...?

KOMAE-SAN

This kind
of bad luck
...is no thing,
if it's for the
sake of hope.

Sure,
I'll demand
order
thou-a-hoo!

...
yeah right!
It obviously
doesn't
make up
for this!

01000000

was ...
a retro!

What do
you mean
by that...?

I switched
the medicine.

Meaning it's
now in the
special bottle
with the
Hiroshima
label!

...Ahaha

Even though
it is
unlikely

...well

ANYBODY WHO

KAWAII-LOVE
did well is

which means that
was the one you
needed just
by the computer

HUH?

There's no way
I could tell the
difference.
After all, I'm
not Tsumiki-san

WOW! ONE
OF THE
KAWAII-LOVE
STARS!

I wonder if
Kawachi-kun
is okay?

I'm telling
you, there is
no way
he'd lose
to this kind
of despair

That, since
it was me,
I would surely
pick up what was
the right medicine

Moreover,
if I did take the time to
investigate all of those
murders, I think that
have long since given
up the field
to the medical staff

All I did,
was simply
believe in
my own
Good luck

I'M SORRY
TO HAVE
MADE YOU
WAIT

FOR YOUR
PROTECTION

It's no longer
that, even if it's
the truth
my talent could
be of service

The treatment
has shown to be
effective... so
even in reality
and truly
it stays

Thank you
very much

Moreover,
stuff like
"let's share
ice-cream"
is as if we're
some average

Are you
in your
right mind??
To give it
to someone
like me...

FF give
you half

This way,
I won't have
anything to do
with that stuff you
describe as
good luck and
bad luck right?

frl...

?

That's right...
It would be okay if
I was granted
a bit more of
good luck...
but to call this part
an omen, would be
a bit too...

AFTER

I'd like
for you
to become

Look out-!
